I am so sorry Mom was not up to traveling to Indiana. She is just not up to riding that far. We just have to cherish the fun times and great memories of being together at Bentley reunions.

Granny, I remember the days sitting in the porch learning to play Skipbo! Thank you for wonderful memories around the table. Papa would show me wood burning in the shed and let me paint some crafts. Granny, I remember walking around the backyard and knowing I wanted a clothesline when I got older. I still love Skibo, crafts, and laundry dried on the line. Didn't have a lot of time with you but the memories we shared and the porcelain music bears mean the world. A true Matriarch for many! Glad you finally met Jesus!
