One of my favorite memory's of Fred was that he loved his food hot so hot that his family couldn't eat his chili . One year I sent Fred some peppers from my garden . He began eating them but they was so hot he began sweating so bad . The family said they were laughing so hard at him . Finally he had enough and said no more and didn't want me to send anymore !!!! I kinda think he hated to admit it though !!!

Fred gave me some of the best advice over the years... always ready and willing to help at our yearly Christmas parties... always had time for the kids... I could go on but I will end with this...It's been a blessing to call you my brother-in-law and I will sadly miss you but just until we meet again at home in Heaven.

I remember Fred always talking about the Cubs or the Bears or Bulls. He was an incredible Chicago sports fan and more than that, just a really nice man who loved and served the Lord with all his heart. Fred was always kind to me and I enjoyed our visits over the years. On behalf of the Hazlett family, our heartfelt condolences go out to the Braun family as you grieve the loss of your husband, father and uncle. Our thoughts and prayers are with you all.

Growing up I never remember a time My Uncle Fred didn't have his camera. How much he loved driving the church bus and the kids. Having a garden with my Dad. I am convinced he never met a stranger he would talk to anyone. And watching The Cubs!! Most of all I remember his kindness and love. I can only imagine the joyful reunion with all the loved ones that went before him but especially his daughter (my cousin who was really my little sister in my heart). I would say Rest In Peace Uncle Fred but I truly believe you are jumping, running and enjoying heaven beyond my comprehension of where you are. I love you Uncle Fred and thank you for always loving me. Brenda
