“ Judy , I am so sorry to hear about Bob's passing, my heart and prayers go out to you and your family. You both have been so lucky to share over 50 yrs or more together from high school on. How lucky you both were to have a love that lasted. I think back on those high school days and smile knowing how much you both meant to each other. You have your angel now in heaven and he will always be with you. You were made for each other. I know you are sad and will miss him dearly , sadness never really goes away ,but you will be able to Smile and remember all those years of happiness. Love to you and all your family.
