My dearest Aunt Jeanette what an amazingly strong loving and caring person you are. I will always remember your smile and laugh that lite up a room. When we would visit from Wisconsin you would always make us feel welcome and at home. I was saddened to hear about your one year struggle with your health. I know your at peace and pain free now. Say hello to Grandma and know that you and your family are in our prayers. God Bless.

Reverend David G. Nowak left a message on November 23, 2008:

Dear Mr. Sulich and Family of Jeanette Many years ago Jeanette and I worked at Porter Memorial Hospital in Valparaiso Indiana as technicians of Respiratory Therapy. Jeanette was one of the staff members who taught me! We worked together for close to ten years there. She was tough on me but I learned so much about the therapy from her. I remember her studying for the certification test during the time frame. Jeanette would talk about her family many times during the course of our conversations. She loved you Ray and her children very much. It has been a very long time since I have seen Jeanette and want very much to express my deepest sympathies to you Ray and to your whole family on the loss of Jeanette. She was a good person technician and co-worker. Jeanette had a great sense of humor and was always ready and willing to help when you needed it. My prayers are with all of you at this time. I know Jeanette is looking on from Heaven at all of us waiting for the moment that we all can be together forever. Eternal rest grant unto her O Lord and let perpetual light shine upon her. May she rest in peace. Amen! Sincerely in Christ Fr. David Nowak
